EVENING WITH INDUSTRY

23 Oct 2020

Evening With Industry is an event organized and hosted by our Professional Development Chairs – Golden Se and Himani Thakkur. Students network with industry professionals.

Companies like Abbott, Campos EPC, HRL Laboratories, Medtronics, SoCal Gas, and many more joined us. Because of the COVID-19 pandemic, we hosted a virtual EWI.

SWE and BMES co-hosted multiple Biomedical Q&A sessions.

GENERAL MEETINGS

10/7

On our first general meetings, officers introduced various events like Evening With Industry (EWI), Research Networking Night (RNN), Bourns Science and Engineering Day (BSED), Engineering R'Future (ERF), socials, and other meetings!

10/21

The second meeting was all about maintaining good mental health during the pandemic and time management.

11/4

The third meeting was about projects.

11/18

The fourth meeting was about the intersection between science and public policy.

12/2

The last meeting was a distress social.
